Position: Surveyor

Period of Performance: 1 Month – Consultancy Contract Deadline: 26 January 2023.

Our Organization:

Rasheed (Transparency International - Jordan) is a non-profit company working to strengthen the pillars of good governance that is based on integrity, transparency, accountability, and rule of law in Jordanian institutions. Rasheed (TI – JO) is the national chapter of Transparency International in Jordan.

Rasheed (TI – JO) aims to reinforce the involvement of Jordanian citizens in anti-corruption activities, protect public, private, and local governance institutions against corruption, enhance the efficiency and independence of control agencies specialized in the area of anti-corruption, and strengthen the integrity of the legislative and judicial authorities.

About the “Nazaha” Project

“Nazaha: Support to social accountability and empowering Civil Society for better governance”; is a project funded by the Spanish Development Agency (AECID) and its purpose is to strengthen the capacity and internal governance of CSOs and CBOs to contribute to the improvement of the effectiveness and transparency of the public sector towards the population.

The "Nazaha" program operates within three pillars outputs at enhancing the capabilities, skills and governance of civil society organizations in line with standards of governance, transparency and integrity, specifically:

1. Output 1: Social accountability is enhanced based on the establishment of a capacity-building scheme and standards of accountability addressing CSOs and CBOs;
2. Output 2: Enhanced social accountability targeting CSOs, CBOs, and youth through the training of their capacities and ability to feed information into policy-making processes;
3. Output 3: A participatory approach is tackled at all levels of the development processes to allow transparency and accountability towards youth.

Duties:

The Surveyor is expected to carry out the following duties:

- Create the survey structure, distribution, and analysis methodology.
- Develop and conduct a survey to identify the citizens' public issues regarding social accountability and public participation and openness in ten targeted municipalities. The survey will focus on citizens' perception of the performance of these municipalities, how they perceive their integrity and accountability, if they are responding to their needs, if their voices are heard, what challenges they face in terms of access to information, complaints mechanisms, sharing an idea for a local initiative/projects, etc.
- Analyze the results.
- Submit a detailed comprehensive report after the completion of the survey; it should contain the methodology used for developing the survey, results, feedback, challenges, recommendations, and lessons learned.

Deliverables:

The Expert will complete and submit the following deliverables, invoice, and timesheet prior to payment.

- Work plan with the time frame. (Prior to the commencement of activities)
- Methodology
- The online survey questions in Arabic language.
- The Results of the survey in Arabic and English.
- A comprehensive report in English language detailing the methodology, feedback, recommendations and lessons learned after completion of the tasks with all supporting documents and forms.

Instructions:
