About the “Nazaha” Project

“Nazaha: Support to social accountability and empowering Civil Society for better governance”; is a project funded by the Spanish Development Agency (AECID) and its purpose is to strengthen the capacity and internal governance of CSOs and CBOs to contribute to the improvement of the effectiveness and transparency of the public sector towards the population.

The "Nazaha" program operates within three pillars outputs at enhancing the capabilities, skills and governance of civil society organizations in line with standards of governance, transparency and integrity, specifically:

1. Output 1: Social accountability is enhanced based on the establishment of a capacity-building scheme and standards of accountability addressing CSOs and CBOs;
2. Output 2: Enhanced social accountability targeting CSOs, CBOs, and youth through the training of their capacities and ability to feed information into policy-making processes;
3. Output 3: A participatory approach is tackled at all levels of the development processes to allow transparency and accountability towards youth.

Within its second output, the "Nazaha" program will provide technical and financial support through sub-grants to 20 youth to develop smart and digital tools to enhance social accountability and public participation.
